As well, if you have a display vehicle that vehicle will be parked for the duration of the Fair.

Non-Profit Organizations and Charities are eligible to receive a 15% discount on the cost of their booths.

Full and final payment for exhibit space must be made prior to May 1st, 2019, unless otherwise stated. If this financial obligation is not met, the exhibitor will not be permitted to proceed with move-in. Payments that are returned NSF will be charged a \$25.00 processing fee.

Loss Prevention Tips

Although there will be Security Staff on site and at the event there will be times when the areas are extremely vulnerable. Such cases would be when the halls open in the morning and when they close at night. At these times the traffic in and out of the rooms is the greatest, it is at these times that most exhibit items are stolen or go missing. Areas with after hour traffic are particularly vulnerable to *walk by theft*.

Here are some Loss Prevention Tips that will help the Security Staff with their duties as well as protect your merchandise and exhibit. When closing your booth at night:

1. Always attempt to put valuable merchandise in a place where it cannot be seen by the public.
2. If the item cannot be removed from the display area or hidden out of site try to cover it up with a blanket or tarp.
3. If you have a walk-in display or booth, place a table or put up a rope in front of the entrance to deter people from walking in.
4. If there is something that cannot be hidden or taken with you please notify security. They will do their best to keep an eye on it and may have helpful advice for you on suitable precautions.
5. If you have any issues and/or find that something is missing from your booth contact the nearest Security Officer and report it.

If you have any other questions or concerns regarding the security at an event the onsite office can be reached at (204) 726 3507.
