Commitment made to build RMWF Draft Horse Show

Thursday, March 28, 2019 - The Provincial Exhibition held a meeting today to discuss the future of the Draft Horse show at the Royal Manitoba Winter Fair.

“It was very constructive.” Said Ron Kristjansson, general manager of the Provincial Exhibition. “Lots of positive ideas were brought forward and there was a commitment made to explore those ideas and build the show.”

Over 50 stakeholders attended the meeting including draft horse exhibitors, breed representatives and NAERIC. The Provincial Exhibition will continue discussion through the current draft horse committee and will reach out to other stakeholders by June 30, 2019 to recruit interested members.

The goal of this working group will be to review prize benefits, exhibitor fees, show format and scheduling as well as create strategies to attract and retain corporate sponsorship. Any ideas or suggestions for the show will also be accepted at the Provincial Exhibition office via email or phone.

The Draft Horse Show has been entertaining visitors at the Royal Manitoba Winter Fair for years. The Provincial Exhibition and draft horse exhibitors in Manitoba and beyond look forward to continuing the tradition.
