24. Breed supervisors (Barn Bosses) - The Manitoba Ag Ex Stabling Committee has complete authority of the stabling of livestock in the barns, allocation of tie-out spaces and control of trimming chutes and trimming in the barns. The Barn Superintendents are responsible to enforce all barn rules, including cleanliness of barns and aisles and to assist the exhibitors with problems in the barns. The Breed Supervisors are selected by the breed association to assist the exhibitors of their respective breeds. The Breed Supervisors co-operate and work under the authority of the Barn Superintendents and Stabling Committee. Breed Supervisor (Barn Boss) duties include;
- Assist Breeders with Stabling upon arrival at MB Ag Ex.
 - Read tattoos and check any substitutions.
 - Assist with the weighing and processing of livestock.
 - Co-operate with the Stabling Committee and Manitoba Ag Ex Management in keeping stall areas and aisles clean and tidy at all times. Ensure that the exhibitors have manure in the aisles prior to 8:00 P.M. each day and aisles and passageways are kept clean and clear.
 - Enforce tie-out time of 6:00 p.m.; tie-in times of 8:00 A.M.; and release time of 6:00 p.m. Saturday, October 26, 2019.

 - Maintain proper conduct and encourage co-operation among exhibitors.

25. Fire Regulations: All fire hoses and exits must be kept clear of tack, etc. at all times. No exceptions. All electrical cords must be kept clear of shavings and other debris.

SEE FIRE REGULATION PAGE ix

26. Health requirements - for show only:

- A. Canadian Livestock - No tests or health certificates are required.
- B. American Livestock - All livestock from the US must meet all requirements for import into Canada. For the import of cattle, bison sheep or goats an import permit is required from the Canadian Food Inspection Agency (CFIA). Please contact your closest District Office of the CFIA or check the CFIA web page on line for a permit application.

Note: USA Exhibitors may wish to contact their USDA Veterinarians for further details however; a permit is still required for all ruminants imported for show or sale.

- C. All Cattle are required to have a CCIA tag in their ear prior to leaving the farm of origin either for show or for sale. American cattle can have the tag applied at the first destination in Canada.

Health requirements - For Sale Purposes

- D. Canadian Cattle – Sales Management may require that the cattle be eligible for export to the USA. At present all intact cattle (other than heifers going to a feedlot) from Manitoba require a TB test prior to export to the USA. Brucellosis tests are not required for export to the USA however some of the individual States may require this test. It is therefore up to Sales Management to instruct entrants if specific tests are required prior to the sale. Important: Potential exporters and importers should be aware that conditions for export and/or import may change by Manitoba Ag Ex date. Also they should be aware that individual states may have individual requirements for health status, specific tests and for permits. It is the responsibility of the American purchaser to ensure that all requirements are met for import into the USA and into their particular state.
- E. Diseased Animals - In the interest of maintaining a high standard of animal health, all livestock may be subject to inspection following delivery through the period of the Show by Veterinarians employed by the Provincial Exhibition. Animals found to have a contagious disease must be treated in the barn under the supervision of the Official Veterinarian. If conditions are found to be serious enough, the owner of the infected animal shall be required to remove the animal from the premises.

27. The exhibitor/participant, at his or her own cost, shall procure and maintain in full force and effect during the time of this Agreement, a Commercial General Liability (CGL) insurance policy or other insurance form acceptable to Provincial Exhibition of Manitoba management with a combined single limit of not less than **TWO MILLION DOLLARS (\$2,000,000.00 CAD)** for bodily injury or death and for property damage. The insurance policy must have a policy territory which includes Canada, and be underwritten by an insurer acceptable to the Provincial Exhibition of Manitoba (generally AM Best rating of B+ or higher). The Provincial Exhibition of Manitoba must be added as an additional insured on the exhibitor's insurance policy:

***Provincial Exhibition of Manitoba
Unit 1 – 1200 13th Street
Brandon, MB R7A 4S8***

Insurance coverage meeting the above requirements must be maintained during the period of October 22 to October 26th, 2019. This insurance is designed to protect the attending general public, other exhibitors/participants, the fair organizers as well as yourself against possible lawsuits arising from your participation at our event.

Exhibitors/Participants who have not provided proof of sufficient coverage will not be allowed to move-in, participate and/or set up their booth(s) until the insurance certificate has been provided to the Provincial Exhibition management.

If you already have Commercial General Liability Insurance in place and the Provincial Exhibition has been added as an additional insured, please provide the Provincial Exhibition with a certificate of insurance, this can be obtained from your insurance provider. Fax the copy directly to (204) 725-0202 or email to carol@provincialex.com.

If you do not carry insurance normally, short-term insurance policies covering your liability exposure for the period of the event can be obtained by contacting Guild Insurance Brokers at (204) 729-4949 or 1-866-277-4949.

Insurance certificates are to be sent to the Provincial Exhibition of Manitoba by **October 1st, 2019**.

28. PHOTOGRAPHS OF EXHIBITOR(S) AND/OR EXHIBITS: Each exhibitor shall agree that photographs taken of the exhibitor and/or exhibits by any photographer approved by the MB Ag Ex may be used for purposes of promotion by the MB Ag Ex or its official sponsors.

Liability

The Provincial Exhibition of Manitoba will not be liable for any loss, damage or injury to the Exhibitor/Participant, including its owner, rider, products or employees. Exhibitors and Participants must maintain insurance on their exhibit, equipment, animals and staff at their own expense.

The exhibitor/participant/owner/rider agrees to indemnify and hold harmless both the Provincial Exhibition Of Manitoba and the Keystone Centre including their respective Directors, Members, Employees, Volunteers and/or the Show Committee against any and all claims of any persons whomsoever. The Provincial Exhibition assumes no liability for damages or losses resulting from or related to the failure of the Exhibitor to comply with the provisions of the agreement. Under these circumstances the Provincial Exhibition is under no obligation to refund the Exhibitor's fees.

SHOW RING ETHICS

IAFE (International Association of Fairs & Expositions) NATIONAL CODE OF SHOW RING ETHICS

Exhibitors of animals at livestock shows shall at all times deport themselves with honesty and good sportsmanship. Their conduct in this competitive environment shall always reflect the highest standards of honor and dignity to promote the advancement of agricultural education. This code applies to juniors as well as open class exhibitors who compete in structured classes of competition. This code applies to all livestock offered in any event at a livestock show. In addition to the “IAFE National Code of Show Ring Ethics”, fairs and livestock shows may have rules and regulations which they impose on the local, county, state, provincial and national levels.

All youth leaders working with junior exhibitors are under an affirmative responsibility to do more than avoid improper conduct or questionable acts. Their moral values must be so certain and positive that those younger and more pliable will be influenced by their fine example. Owners, exhibitors, fitters, trainers and absolutely responsible persons, who violate the code of ethics will forfeit premiums, awards and auction proceeds and shall be prohibited from future exhibitions in accordance with the rules adopted by the respective fairs and livestock shows. Exhibitors who violate this code of ethics demean the integrity of all livestock exhibitors and should be prohibited from competition at all livestock shows in the United States and Canada.

The following is a list of guidelines for all exhibitors and all livestock in competitive events:

1. All exhibitors must present, upon request of fair and livestock show officials, proof of ownership, length of ownership and age of all animals entered. Misrepresentation of ownership, age or any facts relating thereto is prohibited.
2. Owners, exhibitors, fitters, trainers, or absolutely responsible persons shall provide animal health certificates from licensed veterinarians upon request by fair or livestock show officials.
3. Junior exhibitors are expected to care for and groom their animals while at fairs or livestock shows.
4. Animals shall be presented to show events where they will enter the food chain free of violate drug residues. The act of entering an animal in a livestock show is the giving of consent by the owner, exhibitor, fitter, trainer and/or absolutely responsible person for show management to obtain any specimens of urine, saliva, blood or other substances from the animal to be used in testing. Animals not entered in an event which culminates with the animal entering the food

chain shall not be administered drugs other than in accordance with applicable federal, state and provincial statutes, regulation and rules. Livestock shall not be exhibited if the drugs administered in accordance with federal, state and provincial statutes, regulations and rules affect the animals' performance or appearance at the event.

If the laboratory report on the analysis of saliva, urine, blood or other sample taken from livestock indicates the presence of forbidden drugs or medication, this shall be prima facie evidence such substance has been administered to the animal either internally or externally. It is presumed that the sample of urine, saliva, blood, or other substance tested by the laboratory to which it is sent is the ones taken from the animal in question, its integrity is preserved and all procedures of said collection and preservation, transfer to the laboratory pertains to the sample taken from the animal in question and correctly reflects the condition of the animal at the time the sample was taken, with the burden on the owner, exhibitor, fitter, trainer, or absolutely responsible person to prove otherwise.

At any time after an animal arrives on the fair or livestock show premises, all treatments involving the use of drugs and/or medications for the sole purpose of protecting the health of the animal shall be administered by a licensed veterinarian.

5. Any surgical procedure or injection of any foreign substance or drug or the external application of any substance (irritant, counterirritant, or similar substance) which could affect the animal's performance or alter its natural contour, confirmation, or appearance, except external applications of substances to the hoofs or horns of animals which affect appearance only and except for surgical procedures performed by a duly licensed veterinarian for the sole purpose of protecting the health of the animal is prohibited.
6. The use of showing and/or handling practices or devices such as striking animals to cause swelling, using electrical contrivance, or other similar practices are not acceptable and are prohibited.
7. Direct criticism or interference with the judge, fair or livestock show management, other exhibitors, breed representatives, or show officials before, during, or after the competition event is prohibited. In the furtherance of their official duty, all judges, fair and livestock show management, or other show officials shall be treated with courtesy, cooperation and respect and no person shall direct abusive or threatening conduct toward them.
8. No owner, exhibitor, fitter, trainer, or absolutely responsible person shall conspire with another person or persons to intentionally violate this code of ethics or knowingly contribute or cooperate with another person or persons either by affirmative action or inaction to violate this code of ethics. Violation of this rule shall subject such individual to disciplinary action.
9. The application of the code of ethics provides for absolute responsibility for an animals' condition by an owner, exhibitor, fitter, trainer, or participant whether or not he or she was actually instrumental in or had actual knowledge of the treatment of the animal in contravention of this code of ethics.
10. The act of entering an animal is the giving of consent by the owner, exhibitor, fitter, trainer, or absolutely responsible person to have disciplinary action taken by the fair or livestock show for violation of this Code of Show Ring Ethics and any other rules of competition of the fair or

livestock show without recourse against the fair or livestock show. The act of entering an animal is the giving consent that any proceedings or disciplinary action taken by the fair or livestock show may be published with the name of the violator or violators in any publication of the International Association of Fairs and Expositions, including “Fairs and Expositions” and any special notice to members.

11. The act of entering of an animal in a fair or livestock show is the giving of verification by the owner, exhibitor, fitter, trainer, or absolutely responsible person that he or she has read the IAFE National Code of Show Ring Ethics and understands the consequences and penalties provided for actions prohibited by the code. It is further consent that any action which contravenes these rules and is also in violation of federal, state or provincial statutes, regulations, or rules may be released to appropriate law enforcement authorities with jurisdiction over such infractions.

Manitoba Ag Ex is committed to the belief that every animal shall be treated humanely. Activities or events that involve situations having a high probability of injury or illness to an animal are unacceptable to the goals and objections of Manitoba Ag Ex.

HEREFORD SHOW

Show: Friday, October 25, 2019 2:00 PM

Location: Westoba Ag Centre Show Ring

Entry Fee: \$25.00 per entry plus G.S.T.

Stall Fee: \$67.00 per head or \$80.00 per cow/calf unit, including initial bedding.

ALL CATTLE MUST HAVE CCIA TAGS ON ARRIVAL – NO EXCEPTIONS

MB Ag Ex Hereford Show abides by the MOE Show Rules as follows:

Show Classes:

- a) All classes may be divided into two or more classes after entries close.
- b) Two year old female class – the female must have her own natural year's calf at foot and the pair is to be shown and judged as a unit. The calf does not accumulate MOE show points for itself.
- c) Cow/calf class – the female must have her own natural current year's calf at foot and the pair is to be shown and judged as a unit. The calf does not accumulate MOE show points for itself.
- d) Get of sire class – This class must be offered. This is a group of three animals from the same sire, both sexes represented, with at least one animal owned by the exhibitor. All animals must have been shown previously in a single class, limited to one entry per exhibitor.
- e) Current year calf class – a ribbon or prize money class, which must be provided at all shows held between August 1 and December 31. The calf is eligible to show in the Grand and Reserve Grand Champion Class. A calf from the two year old female calf class and the cow/calf class may be shown individually in Get of Sire and Breeder's herd classes at MOE chows. If the show is under seventy-five head of cattle the show committee may also allow calves from the two year old class to be shown individually in the current year calf class. If the show is over seventy-five (75) head, a heifer calf can be entered two ways (calf class and pair class) but only shown one way. Depending on the show order, decided by the MOE show committee, heifer calves that win the honor of Grand or Reserve Grand heifer calf champion may not be shown as a pair; or heifer calves on a Grand or Reserve Grand champion cow may not be shown individually in the heifer calf class. A bull calf can be shown both ways.
- f) Bull classes – classes should be offered for current year bull calves, yearling bulls and mature 2 year old bulls. A show committee may also offer classes for bulls over 2 years of age, but no MOE show points will be awarded towards a Silver Medal Award.
- g) Registrations: All animals shown, including calves, must have a photocopy of current registration accompany entries. All animals' tattoos must be checked to be sure that they correspond to the animal's Registration Certificate and Show Catalogue. All irregularities are to be reported to the Registrant of the Canadian Hereford Association. Unregistered animals cannot be accepted in the MOE Show. If an animal does not have both a tattoo and registration number at processing, the breeder has the option to remove the animal from the show or a \$100 penalty will be applied, payable to the CHA, and the animal must be tattooed, registered and the penalty paid prior to showing.
